EasySet Concealed Auto Temperature Mixer

EasySet is designed to elevate your shower experience to a brand-new level of enjoyment and convenience by integrating ergonomic designs and smart engineering.

With a convenient push of a button, you can now enjoy a comfortable and relaxing shower experience every day.

Customize your perfect shower by simply pre-setting your preferred water temperature and volume, and enjoy the same delightful experience each time.

Color Fittings

EasySet Exposed Auto Temperature Mixer

Commonly known as a thermostatic mixer, the auto-temperature mixer maintains the correct hot and cold water balance based on the user's pre-set temperature. It quickly adjusts to any changes in water pressure or temperature by automatically balancing the hot and cold water ratio, ensuring the water temperature stays consistent throughout the entire shower.

The EasySet Exposed also comes with CoolShield to prevent accidental scalding and provides additional storage space for your convenience.

EasyFlo Collection

EasyFlo Collection

Purposefully designed with an easy push on/off button, the EasyFlo Faucet and Fittings Collection removes the complication of levers and knobs found in conventional faucets. The sleek, minimalist push-button technology is especially handy when needing to turn water on with dirty or soapy hands! It's so easy, Just push!

Features and benefits

- Intuitive button is designed for effortless operation by all users
- Save water with preset water volume and an inviting **EasyPush** button that makes it easier to switch off the water even with soapy hands to enjoy greater water saving when lathering your hands**
- Nothing matters more than the health of our family members – EasyFlo basin faucets are **lead free**, ensuring safe drinking water for you and your family.
