Design Concept

FLUID GEOMETRY + TECTONIC GEOMETRY

I HAVE CREATED A DESIGN BASED ON MY RECENT EXPERIENCE, THAT WE ARE FORCED TO EXPERIENCE THE SIMILAR SPACE IN TERMS OF THE FORM. THE CHANGE OF EXPERIENCE IS ALWAYS A NEED FOR AN INDIVIDUAL. IN TERMS OF MY DESIGN, I GOT INSPIRED FROM NATURE AND THE MOVIE BLADE RUNNER. THE BLENDING OF STRAIGHT LINES FROM TECTONIC GEOMETRIES AND THE FLUID CURVES FROM NATURAL ELEMENTS CREATES A UNIQUE EXPERIENCE FOR THE USERS.
