# Design Concept Summary

## Everyday Harmony

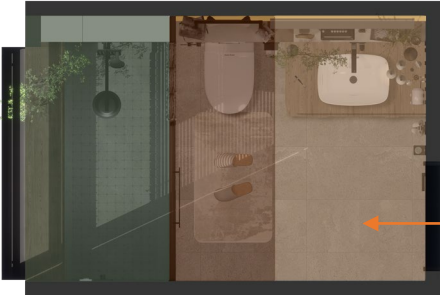

Natural daylight is introduced through generous openings and translucent glass blocks, allowing light to penetrate the space while preserving privacy. Warm lighting tones soften the modern design language, creating a calm and inviting atmosphere. The use of natural materials, such as wood textures and neutral finishes, is combined with contemporary lines to achieve a balanced and timeless aesthetic. A built-in seating area in the wet zone adds flexibility and comfort, while American Standard products ensure functionality, hygiene, and reliability—making the bathroom a meaningful and inspiring part of everyday life

# Design Visuals: Shower Area

"A Shower Sanctuary where diffused light, softened by the wooden blinds, paints warm, intricate patterns onto the textures of natural stone and wood. This contemporary design maximizes personal comfort and seclusion, allowing nature's glow to enter rhythmically, transforming the routine of bathing into a moment of serene and artistic repose."

"More than just a seat, it's a sanctuary to pause the morning rush—letting the rhythm of water and the warmth of the sunrise restore your body before you step into a new day empowered."

ฟังก์ชันการแสงเข้าภายในอย่างนุ่มนวล (DIFFUSE) โดยยังคงความไม่สั่นตัวและควาสัน (SILENT)

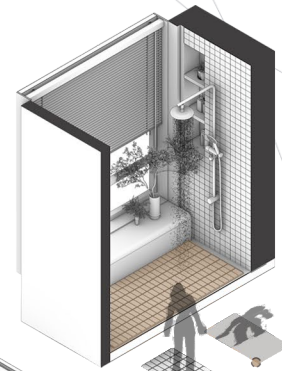

## TECHNOLOGY

การควบคุมแสงสว่างและความชื้นส่วนตัว: ฟิล์มเคลือบป้องกันความชื้นบริเวณภายในและหรือปรับองศาของใบไม้

ควบคุมด้วยระบบ PUSH & TURN: ทุบเปิด/พับ และการสลับการใช้งานระหว่างโหมดต่างๆ ทำได้ด้วย จ็อยท์กดปุ่ม (PUSH) และสวิตช์หมุน (TURN) เพื่อควบคุมระดับความแรงของน้ำได้ตามต้องการ

CONCEALED SHOWER MONO ระบบควบคุมแบบ "กดและหมุน" ของเล่นแบบ: ฟิล์มกันน้ำและสวิตช์ควบคุมสลับโหมดการอาบน้ำ

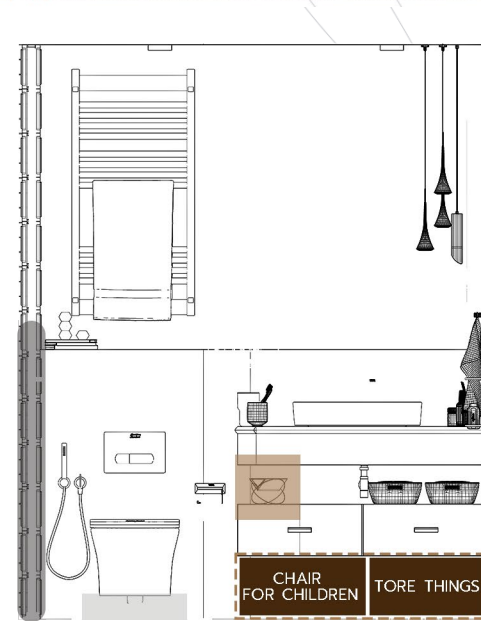

การยึดเกาะและกันลื่น (ANTI-SLIP)

DRAINAGE รางน้ำในตัว รองรับน้ำหนัก (GROUT) ที่ติดตั้งบนพื้นที่รองรับการไหลของน้ำ: 1.0 นิ้ว รองรับน้ำหนักได้สูงและเร็วขึ้น

# Design Visuals: Toilet Area

## Oasis of Hygiene and Comfort'

We present a concept that elevates the restroom experience through the installation of **wall-hung toilets**, which reflect the highest standards of cleanliness and allow for easy maintenance. In addition, a **private relaxation and reading area** is thoughtfully designed and separated by **glass block partitions** that not only provide privacy but also act as light filters. This creates soft, warm layers of light and an atmosphere that truly promotes rest and relaxation.

# Appendix

## Design Story – Limit to 150 words per answer.

- What is the inspiration for your design?

"This concept is inspired by the aspiration to establish a **'state of stability and warmth'** for the entire family unit. The design utilizes **soft, ambient natural light** as the primary element to cultivate an atmosphere that promotes **nurturing interaction** among members. We emphasize an accessible and secure layout, adhering to **Universal Design** principles, ensuring that users of all ages can experience **holistic restoration** and a profound sense of security, thereby recharging energy for the beginning or end of each day."

- How does the design fulfill the need of the target users?

"This design prioritizes the holistic comfort—both emotional and physical—for all ages. By creating a 'non-constrictive environment' using fluid lines and a soft color palette, and integrating natural elements for therapeutic relief, the space offers serenity. Crucially, the layout strictly employs Universal Design principles, ensuring maximum safety, accessibility, and confidence for every user, fostering complete mental and physical restoration."

- How does the design fulfill the design challenge?

**"This design addresses the challenge by creating a seamless equilibrium between innovation and nature. Utilizing advanced Biophilic Design and an optimized daylighting strategy, we create an energy-giving therapeutic space while maintaining privacy. The structure features contemporary lines and a Minimalist Finish, expertly integrated with natural materials (light wood, stone) for a perfect, seamless fusion of technology and nature."**

- How does the choice of products contribute to the purpose of the design?

"Product selection is governed by durability, top hygiene standards, and sensory warmth. By utilizing American Standard fixtures with reliable hygienic technology, we reinforce cleanliness and safety. This strategic choice maximizes the User Experience (UX), ensuring the seamless integration of product forms and textures delivers ultimate comfort and restoration."
